

ABOUT ME

I am an ambitious, creative and skilled designer. I have a keen eye for layout, colour, typography and am extremely competent in digital design. In addition to my abilities in these areas I am very keen to learn and develop my skills. I am a sociable, positive and confident person who works well with others and thrives on pressure and responsibility.

EXPERIENCE

Web Designer

August 2006 - Present // Abacus e-Media

In my 3 years at Abacus e-Media I have worked for many organisations in a variety of industries; clients which include TES, EMAP, Centaur, Lincolnshire County Council and Bond International. As part of a small design team I have had a very diverse role working across a wide range of projects from web design, building html and email marketing to more traditional graphic design, branding and print media. I enjoy building relationships with clients and working with them to tight deadlines. Time estimation, time management and taking projects from brief to completion are all part of my experience within this NMA Top 100 Interactive agency.
